Excused and no show up couples at WDSF World Ranking Tournaments

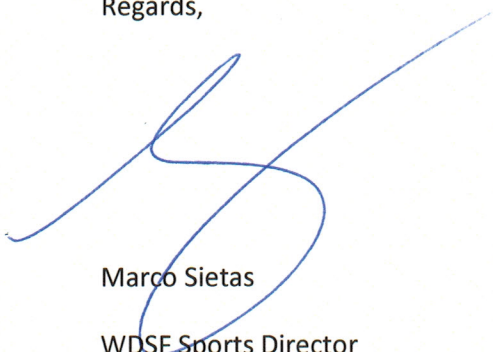

Dear WDSF National Member Bodies,

On behalf of the WDSF and the WDSF Sports Commission, we kindly inform you about the following regarding the excused and no show up couples at WDSF World Ranking Tournaments, visible at our WDSF website under each WDSF Competition.

Couples who have not showed up in a WDSF World Ranking Tournament get, after the first no show up, a warning email from the WDSF office with copy to the Member Federation. In this email, they will receive the information that immediately with the third no show up, sanctions will apply. (WDSF Competition weekends at the same location count as one.)

After the third no show up, 50% of the ranking points of the best result of the couple will be taken away (Base is the best result at the moment the sanction will be announced).

Regards,

Marco Sietas
WDSF Sports Director
